Due to health regulations pets in the room are generally not allowed. All expenses due to inappropriate usage of the room and its facilities will incur additional charges. These charges can be e.g. for extra cleaning, vanished items or an indemnity for damaged furnishing. Once you have checked-in changes to your booking have to be notified no later than 24 hours in advance prior to 2pm, otherwise the full amount of the first changed or cancelled night will be charged. Full details can be found on our website or at reception.

Free Wi-Fi

access code is available at reception. Your login and usage can be monitored and restricted when necessary. This service is provided to meet general needs e.g. checking emails, surfing the web and having access to social media. It is not intended to provide high volume data download e.g. usage of media streaming services. Our wireless network has a certain transmission capacity only and should be shared equally for the benefit of all our guests.

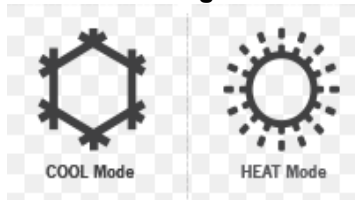

Breakfast

Continental buffet-style breakfast is served in the breakfast room at “Airlie House” (opposite reception) or alternatively as a “night tray” to the room, however, a room service charge may apply for a “night tray”.

Hot Water

comes from a central heating system and has to travel some distance to your room. Especially in winter time the hot water in the pipes cools down quickly. Therefore, it can take some time until hot water will arrive in your room. Please be patient and let it flow until it gets hot!

Air Conditioning

The air-cons are all modern split units, i.e. an outdoor unit cools or heats the air and an indoor unit distributes the air. Please give the outdoor unit a few minutes time until it kicks-in and can do its job. Make sure you have selected the right mode on the remote control (heating or cooling). For example, if the current mode is on heating, but you want to cool down the room on a hot summer day, just lowering the temperature on the remote control, won't work. Please turn off the air-con when you leave the room for longer. Also, our housekeeping staff is commissioned to do so during your absence.

Swimming Pool

Opening hours are from 7am - 8pm during summer season. Children under the age of 12 must be accompanied by an adult guardian. Please feel free to ask our staff for an extra towel. Loss or damage of personal items cannot be claimed. The usage of the swimming pool is entirely at your own risk.
